

Physiotherapy Drop-in Clinic for children aged 0-5

Physiotherapists support children who have difficulty with movement, as this can have an impact on their physical development, activity in play, learning and socialising.

Are you worried about your 0 – 5 year old having:

- Movement difficulties
- Not achieving their milestones e.g. rolling over, sitting up, not walking yet

If so drop-in and see us at:

The Aranthrue Centre,
103 Paisley Road
Renfrew, PA4 8LH
between
9:30am – 12:30pm
on Thursday:

9th January
13th February
12th March
2nd April
14th May
11th June

Ask for the **physiotherapy drop-in clinic** at reception.
